

# COLLECTRAMATIC®

## The Colonel's Original Choice.

### 5 reasons to outfit your kitchen with the Collectramatic® fryer, just like the Colonel.

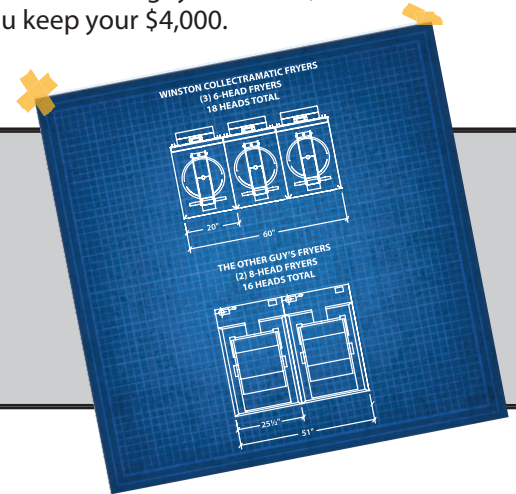

*first*  
**more productivity**  
for less money

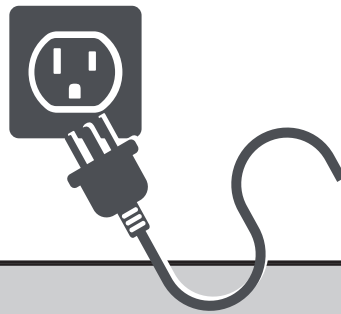

18-head platform cooks more chicken than the other guy's 16-head, AND you keep your \$4,000.

*second*  
**the flexibility**  
of size and footprint

Use 1, 2, or 3 fryers as demand dictates. Three fryers, 18-head platform in about the same space as two fryers.

*third*  
**electrical efficiency**

The electric bill won't make you feel as though the sky is falling.

*fourth*  
**workhorse reliability**  
built for a legend

Known for its 25-year life span and low cost of ownership, Collectramatic fryers offer less down time and unmatched reliability.

*fifth*  
**shortening efficiency**

The Collectramatic fryer's unique design prevents scorching. More rounds between filterings extend the life of your shortening.

**The best cooker ever!**

Operators say:  
"The chicken just tastes better from Collectramatic."
