

Trade-in and Save!

Have you ever looked at your current equipment and thought, "Hmm, wouldn't it be exhilarating to send this bad boy flying out the window?" We've all been there. But before you unleash your inner action hero, let's explore a safer, more rewarding option. Picture this: You're staring at your outdated, broken, or just plain useless holding cabinet or fryer. Instead of staging a window-tossing extravaganza (seriously, don't do that), why not let us help you save the day?

Just snap some photos and jot down the serial tags of your kitchen misfit. With our special offer, you could pocket up to \$500 in savings on shiny new Winston equipment that'll make your kitchen sing with joy.

Never discard a good cabinet or fryer, but when it is costing more to maintain or becomes a little unsightly for your customers – trade it up for a Winston. Better bird in your bucket and more profits in your pocket

Our main mission is to be your partner to a brighter and more profitable year. So, let's team up, toss those old woes aside, and usher in a new era of kitchen greatness together.
